

Queen's Favor - Aesa feilinn

Elements - A blue background (DMC 796) with a white (DMC 762) Fehu rune and a gray (DMC 318) wolf. Feel free to use other colors as they are available, within the general concept of blue, white, and gray.

Format - 4.5 inches wide, total length including belt loop, at least 8.5 inches.

Techniques - Queen Aesa feilinn hopes all contributors will have fun and be creative with making her favors, so she welcomes all techniques, and is open to creative license. Favors can be done with embroidery, paint, applique, beadwork, attached metalwork, or any other technique.

Finished Favors - Please include a note with your SCA name and your modern name and mailing address with any favors you give. Favors can be handed to any of Queen Aesa feilinn's Retainers.

Additional options, feel free to be creative, a gray outline without the inner pattern, with the white eye would also be awesome:

Individual components can be found at the Reign's website.
